MESSAGE

I am delighted to note that Sarabhai Institute of Science & Technology, Vellanad, Trivandrum in association with Tachyon360 is organising **STOGO Fest** with the theme "**Students Well-being in the Physical & Virtual World**" on February 12th & 13th, 2024. I am also happy to note that this is an International festival for School Students from Kerala and UAE, organised for exhibiting innovative spirits with an aim to showcase their STEAM-driven solutions to global challenges

In our competitive innovative environment, sustainable technological progress is very crucial. This event emphasises on creating a safe digital space for youth and promoting creativity through STEAM.

I congratulate the organizers for promoting the true spirit of Science & Technology among students. May this event inspire the students to focus towards advancing creativity and innovating thinking.

I wish STOGO Fest a grand success & my hearty congratulations to the Tachyon360 Child Online Protection Award 2023 winners.

Dated: December 28, 2023

"I'm delighted to share that the STOGO FEST and Tachyon360 Child Online Protection Award are organized by Sarabhai Institute of Science and Technology in collaboration with Tachyon360. Such events offer a valuable chance for students to stay updated on the latest technological developments and for participants to exchange ideas. Let's encourage research among technocrats and empower students to contribute to society. A warm welcome to all resource persons and delegates at the STOGO FEST, and I wish it great success."
